Dear Friend,

We are planning our Fourth Annual Dom's Day to support The Dominic Trionfo Memorial Fund on Sunday, October 8, 2017 at Longwood High School in Middle Island. Thank you for all those who helped make each year a big success. With everyone's contributions either it be monetary, time, and/or spreading the word about our event and fund, we can continue to have this wonderful day in memory of Dominic as well as support community scholarships and water safety efforts.

Dom's Day will consist of a flag football tournament, kids' activities, such as pumpkin painting and games, and a Basket Auction. We are writing this letter with the hope that you or your company would be in a position to help us with a tax deductible financial donation or with a donation of merchandise or gift certificate to use as a raffle and / or auction prize on the day of our event.

On May 20, 2012, what started out as a beautiful day at the start of the boating season, ended tragically as our Dominic finally got the chance to use the family's jet ski on his own, a feat that he was anticipating since our family had acquired the jet ski two years before. Dominic knew that he needed to get his boater's license in order to ride on his own. Dom took the required boater safety class after he was eligible at the age of 14 and just couldn't wait for this day. Tragically his anticipation ended in devastation and he died that fateful day while on his first solo ride on the jet ski.

Dominic played football for Longwood High School and LYSA. He loved the Jets and playing for Longwood. He had a compassionate heart and kind soul. This October Dominic would have been turning 20. He probably would have played on the varsity football team and would have graduated at Longwood High School June 2015. To honor Dominic and his love of the water, our family has established a not-for-profit organization to promote the importance of boater and water safety on Long Island. We created a Boater and Water Safety Activity Book and Classroom Program. It was test piloted at Coram Elementary School in the Longwood School District in May 2017 and it went very well. The program will be distributed to classrooms across Long Island next spring. Please see our web site for updates. Our organization has already distributed over \$10,000 in academic and athletic scholarships to the Longwood Community since 2012.

To donate a basket or a gift certificate to include in our Basket Auction baskets please email your commitment to donate@dominicmemorialfund.org by September 20, 2017. While all support is appreciated, we have found that baskets valued at \$50 or more raise substantially more for the cause.

If you are interested in sponsoring the event, please see our sponsorship form or visit www.dominicmemorialfund.org/sponsor for more information.

Please visit our website www.dominicmemorialfund.org to sign up to volunteer at our event and to find out more information about The Dominic Trionfo Memorial Fund, Dom's Day, and our efforts.

Sincerely,
The Monat/Martinelli Family – Family of Dominic Trionfo
